### BRAINSTROMING AND IDEA PRIORITIZING:

**Brainstorm & Idea Prioritization**

Use this template to your own brainstorming sessions to your team. You can use it to generate ideas and prioritize them. It's a great tool for your team to use.

**Before you collaborate**

1. Read the instructions carefully. 2. Read the problem statement. 3. Read the brainstorming rules. 4. Read the prioritization rules. 5. Read the group idea rules. 6. Read the after you collaborate rules.

**Define your problem statement**

What is the problem statement? Write it down in the box below.

**Brainstorm**

1. Start with a clear statement of the problem. 2. Collecting the waste in setting of 2-3 trash bins. 3. We set limits for each bin for giving alert to the municipal office. 4. Before filling the last or the alert is given to the last bin or municipal office.

**Group idea**

What is the group idea? Write it down in the box below.

**Prioritize**

How should we prioritize our ideas? Write it down in the box below.

**After you collaborate**

What is the final idea? Write it down in the box below.
